

UNIVERSAL LEATHER LINE BOOK STAND 3M SLIDE VOLTE-TEL CASES

New cases **UNIVERSAL LINE BOOK** by **VOLTE-TEL** suitable for all smartphones. The modern design and high quality PU leather externally makes them stand out.

The special **VELVET** lining inside is the best protection for the screen as well as the specially constructed strong, **3M** adhesive, moving surface inside, which holds the phone in place while **allowing you to use the camera and all the other functions of charging and handsfree without having to remove the case.**

- 1) **4.0" - 4.6"**
- 2) **4.5" - 5.1"**
- 3) **5.0" - 5.7"**

Thanks to the special holes in the front cover you can talk on your cell phone without having to hold your case open.

There is also, a handy slot for your credit cards. Avoid scratches on the screen by holding closed the book-cover with the help of the magnetic closure strap that keeps the front cover in place and keep

your phone like new.

STAND function finally makes it easy while viewing videos or photos.

You can choose between three available sizes **from 4,0" to 4,5", 4,5" to 5,0" and 5,0" to 5,7"** depending on the dimensions of your smartphone and 4 different colors **Black, White, Blue and Pink** to choose.

The **UNIVERSAL LINE BOOK** cases, can be placed and removed easily, they are lightweight thin and they do not affect the functions of the phone.
