

SPORT RUNNER BELT LUMINUS WITH INNER CASE BY VOLTE-TEL

SPORT RUNNER BELT LUMINUS with inner case, is **VOLTE-TEL's** new multifunctional waist bag. Specially designed **with adequate storage space** to fit your favorite smartphone along with your keys, identity card, money and credit cards, as well as some first aid items, at the same time! A separate **discreet and secure inner case, stores smartphones up to 6.3"**, while on its exterior, the belt features **reflective stripes** to ensure high visibility in poor lighting conditions. The belt is **IPX4 certified**, which means it is **durable against water drops and is appropriate for all weather conditions**. The belt has a secure clip and can be adjusted to fit all waist sizes **from 65cm to 140cm**. Because of its size can be worn over or under clothing. The belt fits your body with great stability, allowing you to concentrate on your sporting activities without needing to worry about your smartphone's protection. This belt is ideal for individuals, who engage in sports, go on field trips, or simply enjoy taking walks and shopping and it comes in **6 different color combinations**.
