

ΜΕΤΕΩΡΟΛΟΓΙΚΟΣ ΣΤΑΘΜΟΣ + DIGITAL PHOTO FRAME NG 283NE

► Full Colour Weather Station / Photo Frame

- The stylish 283NE Weather Station, with its bright 7" color display and animated icons, shows you the local weather forecast and lets you check the location and all the rise and set times for the sun and the moon for over 300 cities worldwide.
- On top of the weather info, the 283NE also functions as a full color digital Photo Frame with 128mb build-in memory. Just upload your favorite pictures or plug in any common memory card and enjoy the instant slide show.
