

PlanetSim users/owners have to declare their number

All you need to have with you is:

- Police ID card or passport
- Your mobile phone SIM card

According to the new legislation, all prepaid phone holders will have their connections cancelled unless they declare their personal details until 30/07/2010.

Minors who do not have an ID card, passport or similar document cannot identify their prepaid mobile phones; their parents/guardians will have to declare their personal details instead.

Foreign nationals/immigrants can declare their prepaid mobile phones by submitting one of the following documents:

- Passport
- Residence permit in Greece
- Special Identity Card for Foreign Nationals of Hellenic Descent
- Foreign national ID card
- Special document for asylum applicants
- Special ID card for foreign fugitives
- Special document of tolerated residence for foreign nationals who have not been granted refugee status
- Non-deportation certificate for a foreign nationals who have applied for naturalization or a special refugee travel document (T.DV)
- Permit of residence for humanitarian reasons

A legal person / company can declare any prepaid connections that it uses by producing the identity card of its legal representative, the company's TIN and the respective legal documents (articles of incorporation, certificate of legal representation, etc.)
