FACE-BOOK CLEAR CASE IDOL 1991

520530

Face-Book Clear cases by IDOL 1991, are **VOLTE-TEL's** new suggestion for the protection of your smartphone.

The minimal design with the discreet embossed logo on the inside, the high construction quality and perfect fit, makes these cases the No1 accessory, in which every new high-tech smartphone must be carried.

The back side is made of high-strength, translucent plastic material, while the part that protects the screen is made externally of PV leather for durability and internally of special VELVET lining for extra screen protection from scratches.

Accompanied by lifetime warranty, are soft to touch and does not prevent the functionality of your smartphone as they have all the necessary cutouts.

*So choose a **Face-Book Clear IDOL 1991** case, for your favorite smartphone, for guaranteed protection from scratches and damages of daily use.*
