

## CASES UNIVERSAL LEATHER BOOK MAGNET 3M

New cases **UNIVERSAL LEATHER BOOK MAGNET 3M** by **VOLTE-TEL** suitable for all smartphones. The modern design and high quality PU leather attracts all eyes.

The **8 times stronger internal magnet** and the specially constructed strong **3M** adhesive surface holds the phone in place **while allowing you to use the camera and all the other functions of charging and handsfree without removing the case.**

The phone is removed and repositioned in the case easily in any place convenient to you, as you can place it in any order you want on the magnets. (To take a picture or video).

Thanks to the special speaker hole at the front cover you can talk on your cell phone without holding the front cover of your case open. There are also, three handy card pockets for your credit cards and your money. Avoid scratches on the screen and keep your phone like new by keeping closed the book-cover with the help of the magnetic closure strap that keeps the front cover in place.

You can choose among 4 available sizes from **4,0" to 4,6"**, **4,5" to 5,1"**, **5,1" to 5,7"** and **5.7" to 6.3"** depending on the dimensions of your smartphone and 5 different colors Black, White, Pink, Blue, and Red.

The **UNIVERSAL LEATHER BOOK MAGNET 3M** cases, can be placed and removed easily, they are lightweight, thin and they do not affect the functions of the phone.
