

ARMBAND-WATERPROOF 2 IN 1 LUMINUS IPX8 30m CASE VOLTE-TEL

Carry and use your favorite smartphone with extreme comfort, on the beach, in the rain, underwater and even in the snow during your winter excursions! The new **2IN1 LUMINUS IPX8 30m waterproof - armband case** by **VOLTE-TEL** always keeps **all water out** and preserves your phone's functionality. The new case's surface makes it easy to use all functions of your smartphone (web-surfing, playing music, taking photos). At the same time, it offers great protection from sand, dust and scratches. This case is **IPX8** certified, which means it can be used for taking underwater photos or videos up to **30m** and for up to **12 hours**. It **glows in the dark**, comes with a strap for **easy transfer** and it even possesses a **detachable bracelet** on its back side, so that you can carry it without using your hands as you dive.

This case comes in 2 universal sizes (**3.5" - 5.8"**) and (**5.5" - 6.9"**) and **8 different colors** (**White, Yellow, Orange, Pink, Purple, Blue, Green** and **Black**).
