

## NEO BLUETOOTH NSP BN118 MAGNET CLIP ON HEADSET

New Bluetooth **NSP BN118 MAGNET CLIP ON HEADSET** sets your communication free, in order to speak with everyone without having to hold your smartphone in your hands, since it provides a **wide range of up to 10 meters**. Ultra-comfortable Bluetooth **NSP BN118 MAGNET CLIP ON HEADSET** has a distinctive style **headset with magnetic and crystal-clear sound**. Moreover, it supports **compatibility A2DP** that facilitates the earbud to receive **stereo music** from any **Bluetooth device with compatibility A2DP**. You may use this specific Bluetooth with all the compatible mobile phones, **PC, Bluetooth adapter, MP3 etc. that supports A2DP**. It's so handy and comfortable you'll want to wear it all day long. Being able to connect up to 2 devices at the same time, you will connect both your personal and your corporate phone, so that you could speak freely without checking all the time on your devices to answer your calls.

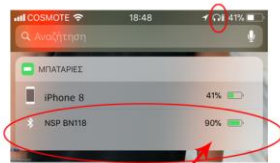

What's more if you keep listening to music in one device and the other rings, then music **automatically is being deactivated so that you might reply to your phone call** on the other device that you are being called and when the call is over you may **keep continue listening to your favourite music**.

Bluetooth **NSP BN118 MAGNET CLIP ON HEADSET** will literally solve your every problem! By touching **one and only button** you could **be making phone calls, rejecting an incoming call, but also redialing the last number that called you**. In addition to that it includes **Bluetooth V4.2** and **long battery autonomy** to speak more than **4 consecutive hours** but also **100 consecutive hours on standby mode**. Finally, it notifies you when the battery is getting close to be over through a **warning sound and also LED indication flashing red**, twice every fifteen seconds. Equally important is to report that in all Apple devices, it shows **both the battery indication and its percentage**.

This package includes operation instructions in **Greek & English**

Με ένδειξη μπαταρίας σε όλες τις Apple συσκευές.
