New Cases IDOL 1991 by VOLTE-TEL.

AIR SLIM TPU FACEPLATE CASE

New **AIR SLIM TPU FACEPLATE** cases by **IDOL 1991** and **VOLTE-TEL**. AIR SLIM cases have simple yet amazing design while offering excellent protection. They are practical and easy in placement and protect your favorite smartphone from the scratches and damages of everyday use. Their minimal design don't add extra volume to the device, for this reason they are the ideal selection for everybody who wants to combine elegance, protection and complete functionality, since they offer free access to all functions of device due to their special cutouts.

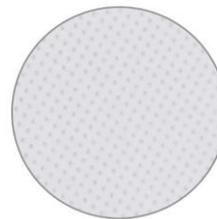

GREY

PINK

WHITE

Anti-Water Stain

Raised Edges

Furthermore, due to their **special design at the inner side**, will exempt you from the unsightly «stains» at the back of your smartphone, which can be seen in simple TPU cases, and thanks to their **raised edges** they protect the screen even from falls on any flat surface.

“Do an amazing appearance in favourite and special Smartphone combining beauty, style and comfortable in one product.”
