

UNIVERSAL BOOK SILICONE CASE

New **UNIVERSAL BOOK SILICONE** cases by **VOLTE-TEL** suitable for the protection of your favorite smartphone from daily wear and scratches, without depriving the elegance it deserves. Made of high quality PU leather which attracts all eyes.

New **UNIVERSAL BOOK SILICONE** cases by **VOLTE-TEL** offer **ultimate protection** and comfort in the hold of your mobile, **while the silicone on the inside will absorb any vibration. Ergonomically designed** so that you can **talk or take photographs without any problem** while your favorite smartphone is still protected in its case. They are **light and slim and do not add extra burden** and they can also get **folded and converted into stand** so that you can comfortably watch your favorite video and movies in landscape mode screen.

On the inside, they have a **banknote case and handy slots for your business and credit cards.**

You can choose among 3 available sizes **from 4.6 "to 5.1"**, **5.2 "to 5.8"** and **5.9 "to 6.5"** depending on the size of your smartphone.
