

NEW BLUETOOTH **EARBUDS TWS NSP INSPIRE BN320w** WITH PORTABLE AND CHARGING CASE

It is by far certain that new wireless Bluetooth headphones earbuds **NSP INSPIRE BN320w** will amaze you on every level. Innovative **earbuds True wireless stereo (speakers)**, that are easily connected through wireless technology **Bluetooth v5.0** Elegant and light in weight, easily adaptable and stable in your ears holding the capacity of perfect and flourish sound reproduction with deep bass and clear treble, a fact that allows you to enjoy your favourite music exactly how it suits you. Every single earbud **NSP INSPIRE BN320w isolates outside noise** so that you may “shrink” to the music of your preference without any further nuisance, even in the most crowded places like in public transport.

Bluetooth earbuds **NSP INSPIRE BN320w** provide battery autonomy of up to **5.5 hours of continuous music playback**, with over **6 hours of talk time and over 70 hours of standby time**. But it's not just that, as they come with a carrying and charging case that will get your hands on it! And that's because, apart from its easy portability and storage in every move, either in your everyday bag or on a trip, that means charging **2 to 3 times** on the go to be constantly ready, for example with just **15 minutes of charging**, you can enjoy your favorite music for up to **2 consecutive hours**, and when they call you to your Smartphone, the **NSP INSPIRE** headphones are back in action thanks to the built-in microphone so that you can answer with a single click and upgrade your communication Ultra-comfortable Bluetooth **NSP INSPIRE BN320w** hold a range of up to **10 meters**. They also detect in real time when you are **wearing or removing your headphones**, while you can communicate **with both handsets at the same time during calls, and only through one handset**. It's so easy

to use and comfortable you'll want to wear it all day long. With the ability to connect up to **2 devices at a time**, you'll connect both your personal and corporate phone to talk freely without having to search for your devices to answer. Last but not least, it is important to note that on all **iOS (APPLE) and Android 9 and above** devices it shows the **battery indicator and its percentage**. Bluetooth **NSP INSPIRE BN320w** is the perfect solution for those who practice their favorite sport or work and move around throughout the day demanding clean and comfortable communication.
