

VOLTE-TEL SPORTS ARMBAND

With the new **Sports Armband** from **Volte-Tel** you can focus on any form of exercise that suits you without worrying about the safety of your beloved smartphone.

With two adjustment positions (A, B)

A: 44cm Diameter

B: 24cm Diameter

It features **two adjustment** positions and a strap that can be tightened or loosened for a **perfect fit** on any arm size or type. The strap secures with **strong Velcro**, allowing removal **only** when you want it.

The transparent screen protector ensures you **won't miss any notifications** and lets you use your smartphone **comfortably during your workout**.

The **Volte-Tel Sports Armband** includes a key pocket so you won't need to carry extra pouches or bags for your belongings.

It also has hidden slots at the top and bottom for easy use of hands-free accessories and headphones.

The case is made from **hypoallergenic Neoprene** material, which absorbs sweat and keeps moisture away from your device.

The **luminous outline** that glows in the dark adds an important element of safety.

It comes in a **Universal size**, suitable for all devices with a size from 5.7" to 6.9".

Available in 6 colors: White, Black, Blue, Light Blue, Dark Pink, and Red.

Slots for hands-free use
