

## NSP N09 CABLE LIGHTNING TO DIGITAL AV ADAPTER HDMI /LIGHTNING FEMALE 2.4A HD 1080p/4K

The new adapter from **NSP** has arrived and the way you see and use your device's screen, will never be the same again.

With just a simple connection you can transfer, in **real time**, everything you see in your **Apple** device screen to the **tv, monitor, projector, and other devices** with a resolution of up to **HD 1080p/4K**.

Using the new adapter **NSP N09** you can share the contents of your **Apple devices** on the big screen, and view **photos** in high resolution, watch **videos in perfect audio quality slide shows, gaming, and even browsing**. You can even use it for your **professional presentations**.

The user -friendly design of the **NSP N09** adapter allows you to project your **iphone, ipad, ipad screen** and charge it **simultaneously super fast for up to 2.4A** so there are no interruptions.

*"Light structure for easy carry"*

Connect your device to the adapter and the big screen in just a few easy steps.

- Connect a **Lightning** cable from the **5V/2.4A** to a power supply.
- Connect an **HDMI** cable from the **HD 1080p/4K** jack to a compatible monitor.
- Connect the **Lightning (male)** cable to an **iPhone, iPad or iPod**.
- Tune your screen channel to the correct **input**.
- Turn on your device screen.
- The time of the first installation may take up to **15 sec**.

**Compatible with 12 Pro Max/12 Pro/iPhone 12/12 Mini, iPhone 11 Pro Max/11 Pro/11, iPhone XS Max/X, iPhone 8/8 Plus, iPhone 7/7 Plus, iPhone 6s/6s Plus, iPhone 5/5s, iPod and for all iPads with Lightning connector.**
