

TYPE C PD 3.0 FAST CHARGER
QC 3.0 LTC25 25W 3000mA LIME SUCCESSORIES

Enjoy lightning-fast charging speeds without waiting for hours to charge your compatible devices. The new **LIME SUCCESSORIES TYPE C PD 3.0 FAST CHARGER QC 3.0 LTC25 25W 3000mA** charger allows you to charge your device via **TYPE C connector** quickly and efficiently. You can keep it at the desk as a backup charger, carry it in your bag, your pants pocket, take it with you on a trip. Always ready to use. This new charger **uses the PD 3.0 (Power Delivery)**

fast charging standard, providing more efficient charging to any compatible device. Thanks to it, you will be able to quickly charge the battery of your favorite **Smartphone from 0% to 80% in just about 35 minutes**, while it is also **compatible with Quick Charge 2.0/Quick Charge/Adaptive Fast Charging (Samsung)/Super Charge (Huawei) Fast Charging (Apple)** technologies and for 90% of the models on the market. So connect it to any outlet and it will replenish the battery of any compatible device faster than any common 5V charger, saving valuable time. In addition, it has **multiple protection systems against overheating, short circuit, overload or overvoltage** to offer absolute protection to you and your devices. Finally, it is worth noting that you can also **use it as a conventional charger to charge your favorite Smartphone or Tablet.**

Main Characteristics:

Input: AC 100V~240V
