

CASES SLIMCLEAR LIME SUCCESSORIES FROM VOLTE-TEL

SLIMCLEAR by **LIME SUCCESSORIES** will impress you with its protection as well as the conveniences it offers! Made of soft silicone and with a very slim and pen-like design, it protects your smartphone from scratches, drops and general wear and tear.

They are made of **durable TPU silicone** with a **non-slip feel** to protect your device from scratches, drops, dust, drops and bumps that may occur during daily movement and use. They have **raised edges** around the perimeter for better screen protection. They fit perfectly on your device, without affecting its functions since they have all the necessary cutouts for the charging and handsfree ports. With **micro texture inner lining** to prevent annoying bubbles from forming that spoil your look and style.
