

New Brand! Νέα TEMPERED PREMIUM ANTI-SPY IDOL 1991 από την VOLTE-TEL.

PREMIUM PRIVACY ANTI-SPY SEMI CURVED FULL GLUE TEMPERED GLASS

Take care of your privacy and make your smartphone's contents non accessible to non authorized persons. The revolutionary screen protector **PREMIUM PRIVACY ANTI-SPY** from **IDOL 1991** and **VOLTE-TEL**, will amaze even the most demanding customers.

The new PREMIUM PRIVACY ANTI-SPY SEMI CURVED TEMPERED GLASS protects your smartphone from prying eyes as the screen visibility becomes so narrow that is impossible to view from a side position. With just 0.25mm thickness, it has high precision curved edges for maximum safety.

The specific tempered glass acts as a **light filter that blocks visibility over a 360° angle.** The specific Tempered Glass is designed to be **compatible with raised edge cases** to maximize screen protection.

It has **high hardness durability 9H** that makes it hard to scratch or break. Even in the case that it breaks, it becomes many **little pieces that stay together** so it eliminates any danger of user injury or screen damage.
