

TYPE C PD 3.0 SUPER FAST CHARGER **QC 3.0 LTC30 30W 4000mA LIME SUCCESSORIES**

Enjoy lightning-fast charging speeds without waiting hours to charge your compatible devices. The new **LIME SUCCESSORIES TYPE C PD 3.0 SUPER FAST CHARGER QC 3.0 LTC30 30W 4000mA** charger allows you to charge your device TYPE C connector quickly and efficiently. You can have it in the office as a backup charger, carry it in your bag, your pants pocket, take it with you on the trip. Always ready to use.

This new charger **uses the PD 3.0 (Power Delivery)** fast charging standard providing more efficient charging to any compatible device. Thanks to it, you will be able to quickly charge the battery of your favorite Smartphone from 0% to 90% in just about 30 minutes, while it is also compatible with **Quick Charge 2.0/Quick Charge/Adaptive Fast Charging (Samsung) technologies. /Super Charge (Huawei) Fast Charging (Apple)** but also for 90% of the models on the market. So, plug it into any outlet and it will top up the battery of any compatible device faster than any common 5V charger, saving valuable time. In addition, **it has multiple protection systems against overheating, short circuit, overload or overvoltage**, to offer you and your devices absolute protection.

Finally, it is worth noting that you can also use it as a conventional charger to charge your **favorite Smartphone or Tablet**.

In fact, in the package you will find the LCC03 Type C to Type C 4A 1 meter which can be used for fast charging but also very fast data transferring, such as from the Smartphone your Tablet or PC.

Main Characteristics:

Input: AC 100V~240V
