

N22 USB-C TYPE C TO TYPE C THUNDERBOLT 4.0 PD 100W/40GP

N22 USB TYPE C TO TYPE C THUNDERBOLT 4.0 PD 100W/40GP CABLE

The latest Thunderbolt technology is now available with the NSP N22 USB-C TO USB-C THUNDERBOLT 4.0 cable. Experience bandwidth speeds of up to 40Gbps, allowing for ultra-fast data transfers, high-definition 8K 60Hz video, dual 4K channels, and power delivery up to 100W. The certified Thunderbolt 4 cable is fully compatible with Thunderbolt 3, Thunderbolt 2, Thunderbolt, USB 4.0, USB 3.2, USB 3.1, USB 3.0, and USB 2.0, providing you with top-notch connectivity through a 1.5m cable.

Data transfer rate of 40Gbps

Enjoy ultra-fast data transfer speeds of up to 40Gbps with the Thunderbolt 4 cable, which is eight times faster than USB 3.0, making it perfect for effortless multitasking across multiple devices.

Power delivery of up to 100W

Use the Thunderbolt 4 cable to power laptops, smartphones, tablets, and a variety of other devices. It supports power delivery of up to 100W, ensuring quick and efficient charging for all your connected devices.

Thunderbolt 4 Certified

Discover the next generation of Thunderbolt technology with the certified Thunderbolt 4 cable. Additionally, thanks to its compatibility with USB 4.0, it offers you top speeds through the latest Type-C cable.

Type-C connector

The Thunderbolt 4 cable is compatible with earlier protocols, including Thunderbolt 3, Thunderbolt 2, Thunderbolt, USB 4.0, USB 3.2, USB 3.1, USB 3.0 and USB 2.0.

One cable for everything.

Thunderbolt 4 supports simultaneous data transfer, power delivery, and 8K 60Hz dual-channel 4K video output, enabling you to use a single cable for connecting your device, laptop, or any other compatible devices.

Features:

- NSP N22 USB C TO USB C Thunderbolt 4 Charging and Data Transfer Cable
- The extended power range supports power delivery of up to 100W
- It delivers sharp details and vibrant colors
- Up to 8K 60Hz resolution – Dual channel 4K
- Provides extremely fast data transfers
- Up to 40 Gbps transfer speed
- Thunderbolt certified
- 1,5m long
