

## NEW HARDSHELL FUSION LIME SUCCESSORIES CASES FROM VOLTE-TEL

With the new **HARDSHELL FUSION** cases from **LIME SUCCESSORIES** and **VOLTE-TEL** you will improve your favorite smartphone and at the same time it will get the protection it needs.

The new **HARDSHELL FUSION** combines **hard TPU material for shock absorption** with a **durable multi-carbon sheet** at the back of the case so it can **withstand any hit or drop**. The case has **raised edges around the screen** to protect from scratches and **Camera Guard on the back** for the **ultimate protection** of the devices cameras.

Thanks to their ergonomic design, the **Hardshell Fusion** cases **hug your smartphone from all sides** and at the same time it gives **perfect access to all necessary ports** as the cameras, speakers, microphone and charging port.

For the iPhone lovers this case has a **semi-transparent back** that allows the apple logo to show through.

The **LIME HARDSHELL FUSION** cases are available in:

- **Black with Black keys**
- **Black with Red keys**
- **Red with Black keys**
- **Blue with Yellow keys**
- **Green with Yellow keys**
