**ELITE PRO ANTI-RFID BOOK STAND**

Get the new stylish **ELITE PRO ANTI-RFID BOOK STAND cases** from **IDOL 1991** and **VOLTE-TEL**, and stand out in every appearance while simultaneously protecting your beloved smartphone. They are made of **premium-quality PU leather** and feature a **magnetic closure**.

These cases boast **reinforced PC material finishes** around the edges and at the earpiece cutout, giving them a distinctive design that won't go unnoticed. Beyond elegance, the interior includes an **RFID-Protection anti-theft pocket to safeguard your debit or credit cards from potential skimming, even when the case is open.**

This pocket **prevents illegal charges** on your contactless cards by malicious individuals while you're on the move or using public transport. The **RFID-Protection technology** uses a special material that **blocks wireless data transmission**, ensuring that the signals emitted by your cards' chips cannot be intercepted.

Internally, the device is secured by a **TPU case with a velvet lining and raised edges** for enhanced screen protection. At the same time, you retain **access to all the device's features**, such as the camera, speakers, microphone, and charging port. You can make calls or take photos effortlessly while your smartphone remains fully protected in the case, as **the camera and earpiece openings are left unobstructed.** These cases are **lightweight and slim**, adding no extra bulk, and they also **fold into a stand** so you can comfortably watch your favorite videos and movies in horizontal viewing mode.

Protect your device and your privacy with the **ELITE PRO ANTI-RFID BOOK STAND.**

**"Great looks, unbeatable protection!"**

**Prevent illegal charging of your contactless cards**
