

NEW NSP N25 CAR HOLDER FOR MOBILE PHONES 360 ROTATING WITH BIG SUCTION CUP UNIVERSAL 4.7"-7.9"

Looking for a car holder that leaves nothing to chance? The **NSP N25** is the perfect choice for those who want stability, flexibility, and style! The **NSP N25 Car Mount 360° Rotating with Large Suction Cup Universal** is not just another mount, but a true hero that saves your phone from any dangerous fall!

If your phone is your favorite tool while driving, then the **NSP N25** is its new home. Equipped with a **large suction cup (90mm)** that "sticks like a magnet" to any smooth or rough surface – whether windshield or dashboard – this holder promises **stability**

even on the sharpest turns. Don't worry about your device size – the holder's universal compatibility covers every phone **from 4.7" to 7.9"**. Thanks to the **360° rotation**, you can position your phone exactly how you want it. **Horizontal** for videos and GPS? **Vertical** for calls and messages? The **NSP N25** does it all with a simple motion! By pressing the button at the top back of the mount, you can adjust the opening of the arms to fit your device (**adjustable opening up to 98mm** – and it's **waterproof** too). The holder's arm (**20cm when fully extended**) offers stability but also allows for adjustments to **various angles and heights**, enabling the ideal setup for every driver and vehicle.

Specifications:

- Compatible with all smartphones with a screen size **from 4.7" to 7.9"**
- Easy to install and use
- Reusable 90mm suction cup (washable with warm water and air-dried)
