

VOLTE-TEL ANTI-RF MAG-SAFE MAGNETIC CARD POCKET WITH STAND LEATHER BLACK

The new **MagSafe Anti-RF Card Holder Case with Stand Leather Black** is the ultimate choice for every iPhone user who wants to combine **elegance with practicality**. If you're looking for a case that will protect your cards, seamlessly integrate with **MagSafe** technology, and **fully utilize the features of your iPhone**, this wallet is designed for you.

The **VOLTE-TEL MagSafe Anti-RF Card Holder Case with Stand Leather Black** offers a **complete experience, combining security, functionality, and sophistication**. The **built-in stand** feature and compatibility with the iPhone's **StandBy mode** make it perfect for **everyday use, whether at the office or home**. Additionally, the **Anti-RF technology** protects your cards, providing you with **total security** during contactless transactions..

MagSafe Compatibility:

Thanks to the **built-in MagSafe** magnetic technology, the case securely and stably attaches to your iPhone. Its **strong magnet** allows you to **lift your phone safely, without worrying about drops**. It is ideal for use with or without a **MagSafe case**.

Anti-RF Protection:

Protect your cards from unwanted radio frequency (RFID) interference and electromagnetic attacks. The case **ensures that your contactless transaction cards remain safeguarded** from any data theft risks.

High-Quality Leather Construction:

The luxurious **PU leather** adds a touch of **premium aesthetics and quality**. The elegant black tone perfectly complements the timeless style of your iPhone.

Built-in Stand:

The stand feature allows you to prop your iPhone up in **both vertical and horizontal positions**, making it ideal for **watching videos, participating in video calls, or giving presentations** without the need to hold the phone.

StandBy function:

Utilize the **StandBy feature** on your iPhone, which allows you to transform your phone into a **desktop clock or interactive display** when placed horizontally in the wallet's stand. Perfect for use **on a desk, beside table or during charging**, so you can glance at notifications, the time, weather and more!

Quick and Easy Access to Your Cards:

The case provides **easy access to your cards**, allowing you to quickly remove them for transactions or other needs, while the **Easy Thumb** feature further **simplifies** the removal of cards **using your thumb**. This specially designed opening enables **comfortable removal and placement of the cards**, so you won't waste any time.

Capacity for 3 Cards:

The case holds a total of **3 cards**, ensuring that you always have your most important cards with you. It includes space for **2 credit/debit cards, or a drivers license and 1 business card**. This layout is perfect for keeping your essentials safe, without the need for an additional wallet.

Specifications:

- **Protection for your cards with Anti-RF technology**
- **Easy access to your 3 essential cards** (2 credit/debit cards or a drivers license and 1 business card).
- **User-friendly** with built-in stand for videos and calls
- **Full utilization of the iPhone's StandBy mode**
- **Style and durability** thanks to the soft PU leather and slim, practical design
- **Comparable with iPhone Series 12, 13, 14, 15, 16**
