

## NEW SILICON DELUXE TPU CASE BY VOLTE-TEL

The new **Silicon Deluxe TPU Tablet Case** is here to impress

Made from **durable TPU silicone**, it promises to protect your favorite tablet against **scratches, spills, dust, bumps and drops** that can occur during daily use and travel.

The **raised edges** around the case provide protection in case of a face-down fall, helping to **prevent or minimize damage** to your tablet's screen. The **Silicon Deluxe TPU** is specifically designed to be compatible with **tempered glass** screen protectors, **ensuring protection** for your device.

The new **“Camera Guard Design”** protects the camera and its surrounding area by providing depth, **preventing the lens to come in contact** with flat surfaces. This **protects** from scratches and scuffs that could affect the quality of your photos.

Designed specifically for each device it allows **access to all its ports**(charging, headphones, speaker, etc.), the **touchscreen, camera lenses** and more.

Made from **flexible TPU silicone material**, it maintains its shape no matter how many times it “bends” **always fitting perfectly** on your tablet.

Get the **Silicon Deluxe TPU Case** from **Volte-Tel** now and enjoy its **glossy finish** that will capture attention. In addition to providing **excellent protection**, it adds an extra touch of **luxury** to your everyday life.
