

NEW CASES **VELVET MAGSAFE TPU** **CAMERA GUARD IDOL 1991** BY **VOLTE-TEL**

The new **VELVET MAGSAFE TPU** cases by **IDOL 1991** and **VOLTE-TEL** are sure to impress you with their authenticity and practicality.

Made from **durable TPU material**, they effectively absorb shocks while providing a perfect tactile feel. Their **soft microfiber lining** protects your smartphone from scratches and impacts during daily use, while the **raised edges** offer enhanced screen protection. Additionally, the **Camera Guard** feature ensures extra safety for your phone's cameras.

Camera Guard

sides while allowing **full access** to all functions, including the camera, speakers, microphone, and charging port.

Thanks to their **ergonomic design**, these cases **embrace your smartphone on all four**

Water Resistant

MagSafe

Case Information

Moreover, the **VELVET MAGSAFE TPU** cases are **water-resistant**, preventing water from penetrating the material when placing your phone on a wet surface or using it in the rain.

Beyond their **elegant aesthetics**, they support the latest **MagSafe accessory series**, featuring an **integrated magnetic system** for easy attachment and removal of the wireless charger, as well as seamless accessory recognition by your phone (such as **color recognition of the case**).

The **IDOL 1991 VELVET TPU** cases are available in the following colors:

Black, Red, Blue, Green, Burgundy.
