

SILICON TPU WITH STRAP CASE

The SILICON TPU WITH STRAP case by VOLTE-TEL offers the perfect blend of elegance and functionality, design to protect your smartphone without compromising your personal style. Crafted with high-quality TPU silicone, they provide durability against drops, scratches and daily wear while remaining lightweight and slim for comfortable use.

The **integrated strap** adds a **practical touch**, allowing you to carry your phone **securely** and **with style**.

The raised edges and perimeter design, featuring an internal air cushion layer, ensure effective protection against scratches and impacts while allowing easy access to your device's buttons and ports.

Available in four stunning colors -burgundy, black, pink and brown- and featuring unique design such as romantic hearts and charming butterflies, these cases are the perfect choice for every taste.

Additionally, the **SILICON TPU WITH STRAP** cases include a wrist strap slot on the lower right side for added convenience.
