

SILICON POWER POWER BANK GP15 10000mAh INPUT MICRO USB & TYPE C

Premium battery cells deliver enough power to recharge just about any smartphone 2-4 full times, for days of power, anywhere. Superior materials within a high-quality construction make it incredibly durable yet comfortable to hold with its ergonomic shape.

With an impressive size-to-capacity ratio, the GP15 is equipped with 2 USB Type-A ports for dual-device charging. Both ports are engineered with our proprietary technology for smart and fast charging, making it the perfect choice for on-the-go traveling, solo or with a friend.

The GP15 is equipped with not just a standard Micro-USB input, but also a Type-C input. This versatility is just another reason that makes it perfectly portable. The Type-C input is also an ideal future-proof addition to sync with the growing trend of Type-C ports on devices.

The GP15 was designed for use with virtually any device that can charge via USB. At the simple touch of a button, up to 4 LED lights provide a clear indication of the remaining battery level, so you don't need to fear being caught powerless while you're away from an outlet ever again.

Safe And Maximal Charging With SP's Core Technologies

- **smartSENSE:** an intuitive and universally-compatible charging technology that maximizes charging speed and auto-pairs with nearly any device.
- **smartFOCUS:** an advanced calibrating technology that stabilizes voltage currents throughout the charging process to sustain maximal charging power.
- **smartSHIELD:** a comprehensive 12-point safety guard that ensures total protection against vulnerabilities for both users and devices.

Specifications:

Capacity: 10.000mAh

Dimensions: 141.0 x 69.0 x 16.8mm

Weight: 220g

Material: Plastic

Color: Black

Input: Micro-USB: DC 5V=2A, Type-C: DC 5V=2A

Output: USB1 (USB Type-A): 5V=2.1A, USB2 (USB Type-A): 5V=2.1A, USB1+USB2: 5V=2.1A (max.)

Available Interface (Input): Micro-USB, Type-C

Available Interface (Output): USB Type-A (x2), Type-C (x1)

Operating Temperature: 10°C - 45°C

Protection: smartSHIELD

Charging Time: Approx. 3.5 hours (PD)

Package Includes:

Power Bank, USB to USB
Type C Cable
