

**LIME TYPE C GAN PD 3.0 SUPER FAST TRAVEL LTC78W 5V 4.0A /9V 4A/
12V 4.0A/ 12V 4.0A/ 15V 4.0A/ 20V 3.9A WHITE**

LIME TYPE C GAN PD 3.0 SUPER FAST TRAVEL (model **LTC78W**) is a high-performance charger by **LIME SUCCESSORIES** and **VOLTE-TEL**, designed to be just as functional as it is stylish, with the characteristic green colour in the USB port.

It is designed for super fast charging for your favourite device (**SMARTPHONE, PORTABLE GAME CONSOLES, TABLET, IPAD, MACBOOK, LAPTOP**), thanks to the charge technology **GaN** and **PD 3.0 (Power Delivery)**. It provides a more reliable charging for every compatible device, **with four times faster charge time** than every day chargers, while it doesn't sacrifice the **small size of the base, at 35mm**. The proper protections for **overheating, overload, overvoltage and short circuit** are also all built in for safe charging. Thanks to the charger's

speed and its **PPS technology** adapting the the **outgoing flow of power**, your device's battery can **charge up from 0% to 80% in just 35 minuits** while preserving battery health. Its compatibability includes technologies such as **Quick Charge 2.0/Quick Charge/Adaptive Fast Charging (Samsung)/Super Charge (Huawei) Fast Charging (Apple)** as well as most models on the market.

Combined with the new **Type C œ Type C** cable, that is designed specifically for fast and reliable charging, as well as ideal for data transfer, it offers the safest and fastest results for the most demanding performances.

LIME TYPE C GAN PD 3.0 SUPER FAST TRAVEL is the ideal charger for anyone who is looking for a modern, fast and reliable ss well as safe alternative for charging their devices.

Characteristics:

Input: AC 240V/110-240 ~50/60Hz 1.5A
